**We Serve**

**Get out your clubs and lets have some fun for a good cause**

This year the Etowah Lions have chosen their Scholarship fund as the beneficiary of the net proceeds from our second annual golf tournament.

Our goal this year is to further fund a permanent scholarship fund. This fund is used exclusively for West Henderson High college bound graduates.

The Etowah Lions is a club of people who want to go out and do projects that both benefit the Lions and the Community. Without these type of projects the Lions have a difficult time getting the exposure to the community.

Your support in this endeavor will further the Lions mission to serve the community.
